Questions for Feedback – Pilot User Study

We list the questions that we sent our pilot study participant for feedback regarding using our tool.

Q1) How would you describe your overall experience using our tool?

Q2) What specific features or functionality did you find most useful in our tool?

Q3) Were there any features or functionality that you found confusing or difficult to use?

Q4) How would you rate the amount of effort in terms of time?

Q5) Were there any instances where the system provided incorrect or misleading information?

Q6) Were there any limitations or missing features in the tool that you felt hindered your experience or workflow?

Q7) How likely are you to recommend our tool to others based on your experience?

Q8) What improvements or enhancements would you suggest to make the system more effective or user-friendly?

Q9) Do you have any additional comments, feedback, or suggestions regarding our tool?
